

# Earth Month Events!

## All Month

### Drawdown EcoChallenge

Join our team, earn points, win prizes, make a difference!

## April 3 @ UNO

### Re-Imagining U Course

Learn easy ways to incorporate sustainability into your daily life, as well as resources available to the campus community.

## April 8 (week of)

### RePurpose It Contest

Get your periodical storage container and get started on your project, vote for a winner, prizes available.

## April 9

### Flexibility is Within Your Reach

Learn simple stretches that can alleviate pain, prevent future injury, and keep you moving.

## April 17

### I Cycle, We Cycle, B-Cycle!

Learn about B-Cycles, test an E-bike, and get free helmets and memberships!

## April 19

### Arbor Day Celebration

Plant a tree, get a free tree and learn about gardening best practices with Master Gardener Susan Siebler.

## April 24-25

### Recycle your stuff here!

Personal document shredding and electronic, battery, and techno trash recycling.

## May 1

### Achieving Zero Waste

Lunch & Learn about the campus' Zero Waste goal and progress, and what you can do to reduce waste (and save money) at home.
